New Managing Director for the Asia-Pacific region

November 2023

Dear Customers, Partners and Suppliers,

We would like to inform you that Yeo Yan Qin as of July 1, 2023 took over as Managing Director of our Singapore location and also the overall responsibility for the Asia-Pacific market. As Managing Director APAC, Yan Qin replaces Christoph Bamert, who has led the business in APAC since 2018. In his role as Chief Sales Officer of the ELPRO Group and member of the Board of Directors of ELPRO Pte. Ltd, Christoph will continue to support Yan Qin and the team in their strategic expansion in Asia.

Yan Qin has been a part of ELPRO since 2019. Working as business development manager for APAC, she has played a vital role in further building and expanding our customer base and business in the region. Prior to that, she gained experience in sales and business development in various companies in the logistics industry. Yan Qin holds a bachelor degree in management and international business from Murdoch University in Singapore.

"Throughout her tenure with the company to date, Yan Qin has consistently demonstrated exceptional leadership skills, strong business acumen and a deep understanding of the APAC market," said Christoph Bamert, Chief Sales Officer at ELPRO. "Her strategic thinking, industry knowledge and ability to foster close relationships with customers and partners have been instrumental in driving our business forward. Together with her strong team, I am sure that she will be able to further expand ELPRO's footprint in the region."

If you have any questions, please do not hesitate to contact our team in Singapore or communications@elpro.com.

Best regards,

Josef Schmid
