

Compliance Declaration

RoHS (Directive 2011/65/EU, 2015/863/EU, 2017/2102/EU) and REACH (Regulation (EC) No 1907/2006 – 251 substances (dated 05 Nov 2025)) Statement

Since April 2026, ELPRO has been part of Bosch's Value Accelerator & Portfolio Companies division and is therefore a Bosch Group company. ELPRO supports the Bosch Group's sustainability strategy with numerous measures ranging from development and resource-saving procurement to professional disposal. VP-MT/ELPRO is therefore also committed to complying with the internationally applicable regulations of the RoHS directives and the REACH regulation.

Declaration of Conformity RoHS

Every hardware solution is carefully developed and tested by ELPRO in accordance with RoHS regulations. Suppliers are also required to disclose the relevant evidence of RoHS compliance. We can therefore confirm that solutions manufactured and distributed by ELPRO do not contain any prohibited substances above the permissible limits and thus comply with the requirements of Directives 2011/65/EU, 2015/863/EU, and 2017/2102/EU.

Declaration of Conformity REACH

We confirm that our standard products do not contain any substances that are restricted under REACH (Regulation (EC) No. 1907/2006 – 251 substances (dated November 5, 2025)) Statement Annex XIV, and do not contain any substances from REACH Annex XVII in unauthorized applications. Our suppliers are bound to comply with REACH requirements and are obliged to notify ELPRO if a candidate SVHC according to Article 33(2) of Regulation (EC) No. 1907/2006- 251 substances (REACH) is contained in the requested products in a concentration of more than 0.1% (0.01% for Cadmium) by weight. This information will be specified in the compliance declaration if necessary. If, according to supplier information, the accessory products we supply contain lead, the applicable exemptions will also be listed in the compliance declaration if necessary.

Note

We provide the above information to the best of our knowledge and belief and based on the information received from our suppliers.
